# NEWSLETTER

February 2026

## Book Club News

Anyone interested in joining our book club is invited to meet at the office on February 11<sup>th</sup> at 1 pm. We'll chat about book club details like choosing our first book, deciding when and how often to meet, and sharing ideas to make it fun for everyone! Coffee and cocoa will be available so let's gather for great conversation and getting our book club started!

## Chili To Warm The Heart

Join us for a Chili Potluck on February 21st at 5:00 PM! Let's gather at the Pavilion and share your favorite chili recipe while enjoying great company around a cozy fire pit. Bring a pot of your favorite chili or a side to share, and come ready for a relaxed, fun evening. We'd love to see everyone there—nothing brings people together like good food and a warm fire!

## Valentine's Day Deliveries

Valentine's Day deliveries are on the way! 🌸❤️ To help us make sure your sweet surprises arrive quickly, please be sure packages include your LOT number, or ask the delivery service to drop items at the office. On Valentine's Day, management will immediately reach out to the recipient so no love goes unshared. Thanks for helping us spread the Valentine cheer!

## Reminders

Just a friendly reminder that our blessing bin is located in the laundry house. It's there for everyone - take what you need, give what you will. Whether you're lending a hand or receiving a little help, this is one more way we look out for our neighbors and share kindness around the park. Thank you for helping me make our community such a caring place!

## Fire Pit Focus

Friendly reminder that clean fire pits make for better hot dog and marshmallow roasting! Please help keep fire pits, free of trash and debris so everyone can enjoy cozy fires and tasty treats. Thank you for helping keep our park safe, fun, and enjoyable for all.
