THE OAKS' GOLDEN 5

We have plenty of campground guidelines, but these are the five friendly reminders that seem to need a little extra reminding! Help us keep The Oaks clean, safe, and enjoyable for everyone by remembering our Golden 5:

1. Make Mowing Days Easier

Lawn care is typically completed on Wednesdays & Thursdays. Please keep the area around your site clear so our maintenance team can work safely & efficiently. If you disconnect your sewer hose on mowing days, our team can trim the grass closer around your hookups & site.

2. Keep Vehicles Off the Grass

Please park vehicles in designated areas only. This helps protect our grass & keeps sites & common areas looking their best.

3. Trash Goes in the Dumpster

Please dispose of household trash inside the designated dumpsters & do not leave items outside. Burning trash at your site is not permitted.

4. Remember: 5 MPH Means 5 MPH

Our campground speed limit is **5 MPH**. Please slow down & watch for guests, children, pets, & golf carts throughout the park.

5. Leash It & Pick It Up

Pets must be kept on a leash whenever they are outside your RV or cabin, & please always clean up after them.

These may not be our only campground rules, but they're five that make a big difference every day.

Thank you for helping us take care of The Oaks!
