THE SCARIEST THING AT THE OAKS SHOULDN'T BE YOUR SPEED!

We've asked nicely. We've reminded. We've reminded again. So here we are once more: **the speed limit throughout The Oaks is 5 MPH — and yes, we really do mean 5 MPH.** This applies to vehicles and golf carts. We have guests walking, children playing, pets being walked, and staff working throughout the campground, and speeding puts everyone at risk. Saving 30 seconds getting back to your site simply isn't worth someone getting hurt. **Please slow down, watch your speed, and follow the posted 5 MPH limit at all times.** Consider this your friendly-but-firm October reminder: the only thing we want flying through The Oaks this month is a witch on a broom.
